MASTER CONTRACT
between the
Storm Lake Community School District
Board of Directors
and the
Storm Lake Education Association

July 1, 2007-- June 30, 2008

ARTICLE I
GRIEVANCE PROCEDURE

A. Definitions

1. A "Grievant" shall normally be only an employee. However, the Association may be a grievant in a "class grievance" as defined in Article I, Section B-1.
2. A "Grievance" shall mean a claim by a grievant that a dispute or disagreement of any kind exists involving interpretation or application of the terms of this agreement.
3. "Day" shall mean any calendar day except Saturday, Sunday or a holiday. A holiday shall be a day observed by the district by the closing of schools.
4. Year-end Grievance. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to the grievant or the school district, the time limits set forth herein shall be reduced by mutual agreement so that the grievance procedure may be exhausted, up to the setting of the arbitration date, prior to the end of the school year or within a maximum of thirty (30) days thereafter.

B. Rights to Representation

1. For the purposes of this agreement a "class grievance" is defined as a grievance involving more than one employee and/or more than one supervisor and/or more than one building. The Association may file a class grievance beginning at Step 3.
2. A grievant may at their request have an Association representative present at all steps of this procedure.

C. Procedure

Step 1. An attempt shall be made to resolve any grievance in informal, verbal discussion between the grievant and their immediate supervisor.

Step 2. Within fifteen (15) days following the act or condition that is the basis of the complaint, the grievant shall present the grievance in writing to the immediately involved supervisor, who will arrange for a meeting to take place within five (5) days after receipt of the grievance. The grievant and one supervisor shall be present for the meeting. The supervisor shall provide the aggrieved party with a written answer to

the grievance within five (5) days after the meeting. Such answer shall include the reasons upon which the decision was based.

Step 3. If the grievant is not satisfied with the disposition of his/her grievance at Level II, or if no decision has been rendered within five (5) days after presentation of the grievance, then the grievance may be referred to the Superintendent or his/her official designee. The Superintendent shall arrange for a hearing with the grievant to take place within five (5) days of his/her receipt of the appeal. The grievant shall have the right to include in the presentation such witnesses, as the grievant deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing(s), the Superintendent will have five (5) days to provide his/her written decision, together with the reasons for the decision, to the grievant and the Association.

Step 4. Binding Arbitration

- a. If the grievant is not satisfied with the disposition of his/her grievance at Level III, or if no decision has been rendered within five (5) days after he/she has first met with the Superintendent, he/she may, within five (5) days after a decision by the Superintendent or fifteen (15) days after he/she has first met with the Superintendent, (whichever is sooner) request in writing that the Association submit his/her grievance to arbitration. If the Association determines that the grievance has merit, it may, by written notice to the Superintendent within fifteen (15) days after the receipt of the request from the aggrieved person, submit the grievance to binding arbitration. If any question arises as to arbitrariness, such question will first be ruled upon by the arbitrator selected to hear the dispute.
- b. Within ten (10) days after such written notice of submission to arbitration, the Superintendent and Association may attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten day period, a request for a list of arbitrators shall be made to the Public Employment Relations Board by either party. The parties will be bound by the rules and procedures of the Public Employment Relations Board.
- c. The arbitrator selected will confer with the representatives of the Superintendent and the Association and hold hearings promptly. The arbitrators' decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which is violative of the terms of this agreement. The arbitrator shall be empowered to include in any award such remedies, as he/she may deem proper. The decision of the arbitrator will be submitted to the Board and the Association and will be final and binding upon the parties.
- d. The costs for the services of the arbitrator, including per diem expenses, if any, and his/her travel and subsistence expenses and the cost of any hearing room, will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

5. An accounting of sick leave shall be given each employee by October 1 each year.
6. Current employees shall retain sick leave accumulated from their date of continuous employment.
7. Job Related Illness or Injury
Absence due to injury or illness which is compensable under the Iowa Worker's Compensation Law shall relieve the Board of payment of salary as sick leave and shall not be charged to the employee's accrued sick leave benefits. The Board will pay to such injured employee the difference between his/her regular contract salary and the Worker's Compensation payments for the duration of such absence.

B. Personal Leave

Personal leave days shall be totaled on an annual basis with each full-time employee being granted three (3) personal days in the first year of this contract, 2001-02, or from the employee's first year of employment, should it occur after the 2001-02 contract year.

1. An employee using the first day of available leave in the first year shall be entitled to such leave without loss of pay, not including supplemental pay.
2. An employee using the second available day in the first year shall have deducted from their salary an amount equal to substitute wages for one (1) day.
3. An employee not using the first or second day of personal leave shall be reimbursed an amount equal to one day of substitute pay for each day not used. This amount will be paid in the employee's next monthly check.
4. An employee using the third day of personal leave shall have deducted from their salary an amount equal to their daily wage, not including supplemental pay.
5. An employee not using the first or second day of personal leave shall be entitled to two personal days available without loss of pay in the next year.
6. An employee, when having two (2) personal days available (without loss of pay), may use one (1) day of personal leave (without loss of pay) and shall be reimbursed an amount equal to one (1) day of substitute pay for the remaining personal day plus have available two (2) days of personal leave in the next year (without loss of pay).
7. An employee using two (2) or more days of personal leave in the same contract year shall have available, in the following year, the same three (3) personal days available to all new employees to the district.
8. The first five (5) days and the last five (5) days of the school year and the days immediately prior to or after vacation or holidays may be granted as personal leave at the discretion of the administration. A maximum of eight (8) employees will be allowed to use this personal leave simultaneously on these specified days.

9. The employee shall give three (3) days notice of intention to use the leave except in cases of emergency.
10. The administration may limit the number of teachers using this leave to the number of substitutes available to cover the duties of the teachers requesting the leave.

C. Emergency Leave

Each employee shall be granted up to five (5) days per school year for serious illness in the immediate family. Each employee may be granted up to five (5) additional days for serious family illness with the employee reimbursing the district for the cost of a substitute teacher for the number of days used. Serious illness is an illness requiring professional treatment and shall be an emergency situation to qualify for this leave.

The Association shall pay to the district an amount equal to the substitute pay for each day of association leave taken.

H. Educational Improvement Leave

Leave for educational improvement shall be granted by the Board of Education without pay for the purpose of engaging in study at an accredited college or university in the area of current subject matter of the employee or an area approved by the Superintendent. This leave

EMPLOYEE EVALUATION PROCEDURES**

A. Notification - Assigned Employees

Within four (4) weeks after the beginning of each school term, the building principal or appropriate supervisor shall acquaint each employee under his/her supervision with the evaluation procedures, standards, and instruments and advise each employee as to the designated supervisor who will observe and evaluate his/her performance. No evaluation shall take place until orientation has been completed.

B. Observation and Purpose

All observations of an employee shall be conducted with the full knowledge of the employee.

C. Required Observation - New Employees

Persons who are on probationary status shall be formally evaluated at least two (2) times, during the years they are on probationary status. A probationary employee involved in extra-curricular activities shall be evaluated in these areas once each year while on probationary status.

D. Required Observation - Continuing Employees

A continuing employee shall be formally evaluated two (2) times every third year. A continuing employee involved in extra-curricular activities shall be evaluated in these areas once every third year.

E. Formal Evaluation Procedures

1. The building principal or appropriate supervisor shall evaluate each employee formally in writing.
2. A copy of each formal written evaluation shall be given the employee and a conference shall be held between the employee and the building principal or appropriate supervisor within seven (7) school days following the observation. A copy signed by both parties shall be given to the employee. The employee's signature does not necessarily mean agreement with the evaluation, but rather awareness of the content. No employee shall be required to sign a blank or incomplete form.
3. If the employee feels his/her formal written evaluation is incomplete, inaccurate, or unjust, he may put his/her objections in writing and have them attached to the evaluation report to be placed in his/her personnel file.

4. In the written evaluation, the evaluator shall identify alleged deficiencies of the employee. If deficiencies are identified, the evaluator and employee shall collaboratively design a plan for remediation. This written remediation plan shall include steps for alleviation of the said deficiency and a time line for successful completion. During the time set aside for remediation, the employee shall be routinely observed and the evaluator and employee shall meet at least twice per month to discuss the employee's progress. Progress on the remediation plan shall be noted on the plan and both the evaluator and employee shall sign off and date the plan to indicate when adequate improvement has taken place. Following remediation, the employee shall be reevaluated in compliance with the procedure of this article.
5. Coaches shall be evaluated at the conclusion of their season(s). For coaches who coach one sport only, their written evaluations shall be delivered within two weeks of the completion of their season and fulfillment of their obligations (equipment check-in, etc.). For those coaches in multiple sports, their written evaluations shall be delivered by April 1, for sports in the fall and the winter months, or by the first day of school of the new school year for sports in the preceding spring and summer months. Should any deficiencies be noted in the evaluations, the remediation procedure in E.4 shall be followed.

F. Individual Career Development Plan

1. On a yearly basis each certified staff member shall draft an individual career development plan.
2. The certified staff member's evaluator will meet individually with the certified staff member to review and/or to jointly modify the plan as needed, so the plan meets the evaluator's approval. The individual career development plan may be either individual or connected to a collaborative group plan. Both parties will then sign and receive a copy of the approved plan.
3. Steps one and two should be accomplished within the first semester.
4. Modification(s) of the plan after initial approval may be done at any time by mutual agreement. Once again, both parties will sign and receive a copy of the modified plan.
5. During the second semester, the evaluator will review documentation provided by the certified staff member to show either progress towards or attainment of individual career development plan goal. The certified staff member will provide the evaluator with a copy of the documentation at least one day prior to the review meeting. Any information from this review meeting being placed in the certified staff member's file shall be signed by both parties and a copy given to the certified staff member.

G. Personnel File Review

1. Each employee shall have the right at reasonable times to review the contents of his/her personnel file. A representative of the Association, at the employee's request, may accompany the employee in this review.

2. The Board or its administrative representative, including building principals, shall not establish any separate personnel file which is not available for the employee's inspection.

H. Personnel File

The employee shall have the right to respond to all materials contained in said file and to any materials to be placed in said file in the future. Such employee's responses shall become a part of said file.

I. Personnel File Reproduction

The employee shall have the right to reproduce any of the contents of his/her file at the employee's expense.

ARTICLE IV STAFF REDUCTION PROCEDURES

When the Board of Education and the administration determined that it is necessary for reduction of staff for any reason, the administration shall follow the following procedure:

- A. The administration shall first determine what area of program or area of staff shall be reduced.
- B. The first effort shall be to utilize normal attrition within the category wherein the administration is recommending the reduction.
- C. The second effort shall be to reduce temporary or emergency certifications within the category wherein the administration is recommending the reduction.
- D. If the first two efforts don't accomplish the reduction, the administration shall make a recommendation to the Board of Directors of the district as to which staff person or persons shall be subject to reduction. For purposes of this article, the person(s) subject to staff reduction shall be compared within the following categories: K-6 and 7-12. Grades 7-12 shall be by subject categories, i. e., language, arts, social studies, title programs.
- E. The administration, in determining which staff person(s) shall be subject to reduction, shall consider evaluations, extracurricular activities participation, degrees and hours obtained, certifications, seniority and competence.
- F. Seniority for purposes of this contract shall be greater continuous employment in the district. Persons employed part-time shall receive prorated seniority, i.e., a half time person shall receive a one-half year seniority.

ARTICLE V DUES DEDUCTION

Association dues shall be deducted for teachers who deliver a check off card to the District Secretary by October 1.

ARTICLE VI HEALTH AND SAFETY PROVISIONS

The District will pay the difference between insurance coverage and the cost for evidence of physical fitness required by the Department of Education, not to exceed fifty dollars (\$50.00). The form which shall be supplied by the district will require a statement by a licensed physician of the employee's choice, which shall attest that the employee is or is not physically fit to perform his or her assigned duties and the employee has passed the tuberculosis test. Any additional physical exams requested of the employee to show evidence of physical fitness as required by the Department of Education shall be paid for by the district.

ARTICLE VII HOLIDAYS AND VACATIONS

B. Vacations

All members of the bargaining unit shall receive the following unpaid vacation periods:

1. Thanksgiving vacation shall be the Friday following Thanksgiving Day.
2. Christmas vacation shall include up to ten (10) days. This will vary from year to year. If Christmas falls on a Saturday, the vacation period will include the preceding Friday. If New Year's Day falls on Sunday, the vacation period will include at least the following Monday.
3. Spring vacation will include a movable consecutive two (2) days.

ARTICLE VIII WORK DAY

A. Work Day

The workday for employees shall begin at 8:00 a.m. and shall end at 4:00 p.m. Monday through Thursday. On Fridays, the workday shall end at 3:30 p.m. At the beginning of the school year, the building administrator and the building faculty will discuss the options of the school day. The final decision of the workday will be with the building administrator. The workweek will not be longer than 39 1/2 hours.

B. Early Dismissal Due to Inclement Weather

In the event of early dismissal because of inclement weather conditions, the employees may leave thirty (30) minutes after the building dismissal time. In the event of late starts due to inclement weather, the start of the teachers' day will be delayed by the same amount as the announced school delay.

C. Lunch Period

All elementary, middle school and high school employees shall be entitled to a paid duty-free, uninterrupted lunch period of at least twenty-seven (27) consecutive minutes.

**ARTICLE IX
WAGES AND SALARIES**

A. Schedule

1. The contract will have a base salary of \$27,025, which would include integration of Phase I and II funds into the salary schedule, subject to the provision that a reduction in Phase funds will be automatically reduced dollar for dollar as provided in the current contract. (See Article X.)
2. A 5.5% total package increase for salary and benefits will be provided for in the 2007-08 contract.

2. Credit for Experience
Credit up to the maximum years of experience of any salary level on the employee salary schedule may be given for previous outside teaching experience upon initial employment.

C. Advancement on Salary Schedule

1. Increments

A year of service consists of employment in the Storm Lake Community School District for one (1) semester or more in one school year.
2. Educational Lanes
Employees on the regular salary schedule who move from one educational lane to a higher educational lane shall move to the corresponding eligible step on the higher lane. For an employee to advance from one educational lane to another, he/she shall file suitable evidence of additional education credit with the Superintendent no later than September 15. Pay adjustments shall be retroactive to the beginning of the same year.

D. Method of Payment

1. Pay Periods
Each employee shall be paid in twelve equal installments on the 20th of each month. Employees shall receive their checks at their regular building and on regular school days. It is the policy of the Storm Lake Community School District not to discriminate on the basis of sex, race, national origin, creed, age, marital status or disability in its educational programs, activities or employment policies as required by Title VI and VII of the 1964 Civil Rights Act, Title IX of the 1972 Education Amendments and Section 504 the Federal Rehabilitation Act of 1973.

It is also the policy of this district that the curriculum content and instructional materials utilized reflect the cultural and racial diversity present in our community and in the United States, and the variety of careers, roles and life-styles open to women as well as men in our society. One of the objectives of the total curriculum and teaching strategies is to reduce stereotyping and to eliminate bias on the basis of sex, race, ethnicity, religion and physical disability. The curriculum should foster respect and appreciation for the cultural diversity found in our country and an awareness of the rights, duties and responsibilities of each individual as a member of a pluralistic society.

Inquires regarding compliance with Title IX, Title VI or Section 504 may be directed to Diane Jones, Storm Lake, Iowa 50588, telephone 712-732-8080; or to the Director of the Civil Rights Commission, Des Moines, Iowa; or to the Director of the Region VII Office of Civil Rights, Department of Education, Kansas City, Missouri.
